## HAPPY NEW YEAR

JAN 2021 • ISSUE 1

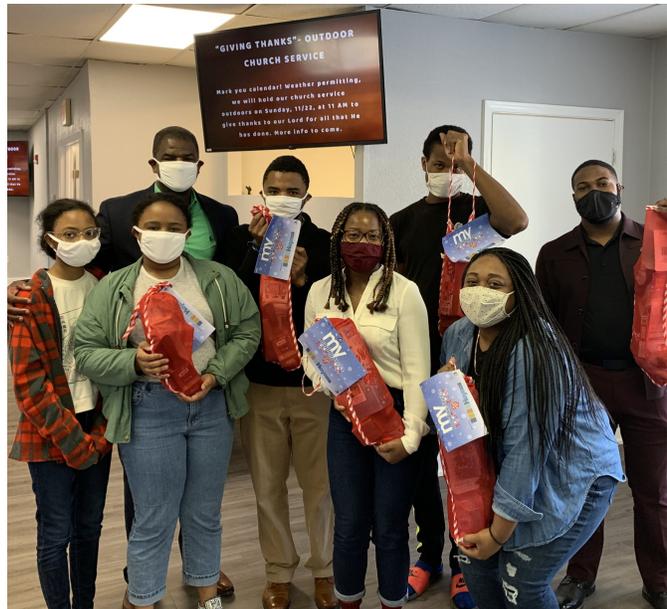

### PASTOR'S CIRCLE

Dear Families and Friends,

2020 has been a difficult year. Many individuals have experienced sufferings and hardship due to COVID-19. I'm looking towards 2021, let's put a smile on our faces with joy in our hearts into the New Year.

Let's follow Him in 2021 as He leads us in discovering His will and direction for our lives. In Mark 1:15-20, just as Jesus called the early disciples to follow Him. He's calling us in all areas of our lives to leave the OLD and follow after the NEW! Let's expand His Kingdom in 2021 and follow Him.

All for Him,  
Pastor Horacio R. Hall

### 2020 YEAR IN REVIEW

What a year 2020 has been! In the midst of the most challenging of circumstances, we have seen God's provision in FBC. Your faithful generosity has made it possible for us to "do church" in an entirely different way. We had our first drive-in service. We partnered with the Salvation Army to collect & distribute gift-filled stockings for local children. We gifted the men at the Union Mission gift cards in excess of \$600. We continued supporting our missionaries financially. We redesigned our website. We reconstructed the sanctuary. We have a plethora of new technical equipment. We transitioned to online services & small groups, You have allowed us to respond to needs immediately, and proclaim the gospel passionately. Thank you!

## SPOTLIGHT: AUDIO & VISUAL TEAM

A special thank you to our small but mighty AV team, Deacons Marcus, Clarence & Brandon, who responded quickly and efficiently under pressure this year. We thank God for their grace-given gifts and desire to serve.

## 2021 LOADING...

Your safety in accessing God's word and remaining in fellowship with God's people is a priority to us. We hope to continue some of our favorite annual events and start new traditions [even virtually], e.g. mission's month, women's & men's conferences, drive-in services, school supply drives, corporate prayer nights, children's church, and the continued expansion of our ministries. If you have any questions or if you're interested in serving to support this transition, then please contact us at [fbcadmin@faithway-bc.com](mailto:fbcadmin@faithway-bc.com).

Thank you, Lord, for another day of life and another day to serve according to your will. Amen.
